The Internet is changing everything – how we communicate, get our news, play, and shop. And thanks to companies like SFI, how you make money – and where you make it – will never be the same again either.

Launched in 1998, the SFI Marketing Group has become the world's largest Internet affiliate program. SFI has shown millions of men and women from over 190 countries worldwide how to cash in on the Internet. SFI can help you:

- **Get out of debt**
- **Retire early with secure, ongoing income**
- **Pay for a son or daughter's college education**
- **Improve your lifestyle**
- **Buy a new car or new home**
- **And MUCH MORE**

SFI WILL TEACH YOU:

• How to build a profitable business completely on the Internet from the comfort of your own home office.

• How to use SFI's powerful, proven, copyrighted system to create an income stream that can gradually replace your current job or career.

• How to earn income globally, 24 hours a day – both "front-end" cash AND ongoing, "back-end" residual Income ("do-it-once, get-paid-forever" style income).

By simply referring people to your SFI Affiliate Website (which we provide to you FREE!), you can create an extra income stream of hundreds or even thousands of dollars a month when your referrals purchase any of our hundreds of products and services.

IT'S FUN AND EASY!

Many of our affiliates do nothing more than print their SFI Web address on their business cards, stationery, etc. *We take it from there!*

We host and maintain your Website for you, take the orders, handle all product shipment, and provide all customer service, too. Everything is provided at no cost to you. *You just have to cash the commission checks!*
